

# Advances in GC Technology

**27th September**

**LGC Ltd**

**The Heath Business Park**

**Runcorn Conference Centre**

**Cheshire**

**Organised by The Chromatographic Society, The RSC  
North West Region Analytical Division and the RSC  
Chromatography and Electrophoresis Group.**

***“The meeting will review some newer techniques for the  
characterization of chemicals and pharmaceuticals.  
It will be of interest to companies involved in both problem  
solving and routine quantitative analysis.  
There will be an instrument exhibition during the meeting”.***

**For more information please contact Alan Handley. 01928 513681  
[Alan.Handley@lgc.co.uk](mailto:Alan.Handley@lgc.co.uk)**

## **Programme:**

### **Session 1**

- 09.45**      **Registration and Coffee.**
- 10:00**      **Introduction**  
Alan Handley LGC
- 10:05**      **“New Solutions for GC Sample Preparation”**  
Ray Perkins    Anatune
- 10:35**      **“Advance in GC Column Technology”**  
Japp de Zeeuw   Restek
- 11:05**      **"New Multidimensional Approaches (Comprehensive GCxGC and Multidimensional GC) for the Analysis of Complex Samples"**  
  
Prof Modello University of Messina
- 11:50**      **“Manufactures Presentations”**
- 12: 45**      **Lunch and Exhibition.**

### **Session 2**

- 14:15**      **“Thermal Desorption for volatile and semi volatile components”**  
Gareth Roberts      Markes International
- 14:45**      **“Capillary Flow Technology for Increased productivity in GC”**  
Chris Sandy      Agilent
- 15:15**      **“Detector Selection and Selective Detection - Powerful Tools for Optimising GC Performance”**  
Tom Lynch      BP Ltd
- 15:45**      **“Hyphenated Solutions- GC/MS/FTIR”**  
Alan Handley      LGC Ltd
- 16:15**      **Close**

## Registration Form: All Sessions, Exhibition, and Lunch

Members of either RSC or Chromatographic Society      £75

Non Members      £90

Retired      £15

**Students\* Student Bursaries are available contact Alan Handley for details.**

Please register me for the meeting "Advances in GC Technology "

A remittance of £..... is enclosed. as registration for attendance at the meeting.

Cheques should be made payable to RSC, Analytical Division, NorthWest Region.

Payment may also be made by BACS transfer to Barclays Bank, Wellsprings Branch, Victoria Square, Bolton, BL1 1HG: Account No 80799297, Sort Code 20-10-71

The Region is not registered for VAT and so VAT invoices cannot be issued. Payment cannot be accepted by Credit or Debit card.

**Block Capitals Please.**
